John. P. Coutis

Australia's Premier motivational speaker is visiting Benalla for one night only.

John P. Coutis is an exceptional person. Born with a severe disability that rendered his legs useless, John defied medical opinion by refusing to die. Today John speaks all around the world to tens of thousands, very enthusiastic and eager people, whom he leaves breathless.

"John Coutis is fast becoming the world's best known disabled speaker. His story will zap you instantly out of any pity party you might be cultivating. Living, moving and being without legs or a wheelchair, he has developed world class self-esteem, self-confidence and self-reliance. He reminds us of all of our blessings (which we take for granted) and the infinite possibilities that are before us..."

Dr. Victor Hansen

"Motivation lasts for 10 minutes...inspiration lasts a lifetime" - John Coutis
