

PRESENTS a FREE

DRUGS in SPORT FORUM

A **FREE** educational and awareness program which focuses on the risks and consequences of illicit drugs within a sporting context and in our communities.

Presented by Detectives from the **Purana Taskforce** and **ASADA**, the Australian Anti Doping Authority, this program is for every sports person, coach, club President, teacher, student and parent and is open to all community members.

WEDNESDAY 16th JULY, @ 7.00pm to 8.30pm

Eastbank Centre, Welsford St, Shepparton

Presentations will explore and discuss:

Purana Taskforce

What drugs are out there?
How they affect you and the people around you,
What signs to look for if someone is taking drugs,
How drugs destroy lives, etc

ASADA

About Performance enhancing drugs.
Outline of what these drugs are
How they affect you
What signs to look for if someone is using these drugs
How performance enhancing drugs can destroy lives

Drugs in society and sport are a growing concern. The best way to combat this issue is to try and educate everyone about the effects and problems that revolve around drugs (illicit and performance enhancing)
