

PERSONAL PROTECTIVE CLOTHING (PPC)

Firefighters wear protective equipment for protection against hazards on the fireground.

Personal Protective Equipment (PPE) used by firefighters:

- Helmets
- Overalls
- Boots
- Goggles
- Gloves
- Respiratory protection

Anyone on the fire line faces similar hazards and must wear appropriate PPC.

Alert Safety has alternative branches throughout Melbourne

Also Remember:

- Woollen blanket (do not wet as you may be scalded if exposed to major heat)
- Drinking water (eg. 5 litre container)
- Don't wear nylon, polyester clothing and stockings etc

As minimal notice will probably be given for you to attend a fire it is recommended that this equipment is pre-packed in a bag and possibly stored in the vehicle.
