

Waterwise and Composting Workshop

Do you want to find out some simple ways of saving water?
Would you also like to learn about composting?

Then come along to a free interactive workshop in Murchison.

You'll learn how audit your water use in and around your home and find out how everyone can save over 50 litres of water per day.

You'll also get the opportunity to find out how to create your own compost, how to use it and how composting can help you save water.

The workshop is presented by Goulburn Valley Water and Resource GV as part of National Water Week.

The workshop will be held on

Date: Friday 16th October 2009
Time: 6pm till 8pm
Venue: Murchison Primary School Library.
RSVP: Bookings essential for catering purposes
13 October 2009
Mary—5832 0471.
